April April showers bring May flowers! Love this saying, it's been true many times! But in Ohio it may be April snow! Either way Winnie and Piglet will be ready!

The Solar Eclipse coming to our backyard on April 8 will mark moments when the moon covers the sun's face completely, thereby blocking its light, 'in totality' and according to NASA, this will be from 3:13 to 3:17 pm for our area around Cleveland, Ohio. An eerie darkness will fall upon a long swath of the U.S.A. Only during totality will skies turn twilight-dark, and the sun's outer atmosphere, or corona, will be visible as wispy projections of light emanating from behind the moon. The partial phases of the eclipse

last about an hour and 20 minutes before and after totality, and will be visible to some extent across the entire United States. The Lake County Recorder Office will be closed for the day on Eclipse Day—April 8th and we wish everyone a memorable and Happy Eclipse Day!

On April 15 (every year) remember to file your taxes, it's on a Monday this year!

Send some of those beautiful early blooming flowers to someone special working hard everyday in your office for Administrative Professionals Day on April 24th!

Working hard everyday in our office are our Deputy Recorder staff of Mary Pat, Kim, Sandee, Shaun, Curt, Simone, Karla, and Lisa! Thanks to these eight amazing humans! Here in our office, we have a reliable and well running Recording machine. They turn around workflow with expert skill and kindness for all our customers. It is always a great day to request a public record-count on a smile when you visit! I am truly blessed to work with such a professional team!
