May I love May! *May the road rise with you, May the wind be always at your back, May the sun shine warm upon your face, the rains fall soft upon your fields and until we meet again, May God hold you in the palm of His hand!*

🇺🇸 We're a few days in, and we celebrated **Nurses Week** starting on **May 6...** we thankfully and seriously congratulate all our wonderful nurses with a very, very special mention here for our daughter Kelly! We are so proud of her and very blessed to have her healing talents 'on demand' for our family!

🇺🇸 **May 6th Holocaust Remembrance Day**, is the solemn remembrance of the horrible events of WW2's crimes against the Jewish people and all of humanity. We honor and remember, asking God's Blessing on Israel and prayers for peace in the world.

🇺🇸 **May 7th** makes the grade for **National Teachers Day** so be smart and thank a teacher this day!

🇺🇸 **Mom's Day** is **May 12th** and I'm really happy that we could spend the day with Mom Charlotte Lynch! What a Saint she is and so much the proverbial Irish Mother! She has solved many of life's riddles for her kids and I think she is the author of most of the Irish Blessings I have read! God Bless my amazing Mom Elaine, who is already in Heaven and I miss her every single day!

🇺🇸 **Armed Forces Day** is celebrated **May 18th** this year (third Saturday in May) and it is a day to pay tribute to men and women who serve the United States armed forces.

🇺🇸 **Memorial Day** is the last Monday in May falling on **May 27th** and Honors all U.S. Military personnel who died in service to our country.

...And here in the Recorder's Office the month is busy with budget work for 2025—already! Continued modernization is happening every day with the steady progress of digitization of the paper records. This means that your access to the public record is being improved and expanded constantly and you can be assured that our staff of very diligent Deputy Recorders have carefully scanned and indexed these important records each day! Also we're finally bringing in much needed new computers, you can believe that we got as much outta those ole computer stations as we possibly could over nearly 12 years! For our great Veteran customers, we've installed a state of the art I.D. Card system. May we always see the good going on around us! And **May you have a great May!**

May you have a great May!
