Lake County Recorder Main Line

June Welcome sunshine and summer fun and the start of Lake County parade season! Who doesn't love the happy feeling we get with the High School band playing and people throwing candy at you! HaHa!

Let the good June-times begin with picnics and long awaited outdoor fun. **June 6** is D-Day—when in 1944, WWII took a turn as the Allies landed on the beaches of Normandy. **June 8** the Belmont Stakes will run. **June 14** we celebrate Army's 249th Birthday, the U.S. Army was founded on 14 June 1775, when the Continental Congress authorized enlistment of expert riflemen to serve the United Colonies for one year. Flag Day's 247th birthday is also June 14th! *The Flag Resolution of June 14, 1777, stated, "Resolved: that the flag of the United States be made of thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new Constellation."*

On Sunday, **June 16th** we'll celebrate Fathers Day this year and if you are so Blessed to have your Dad around still, I hope you will do something outstanding for him on this day if you can! God Bless Our DADS! And in American History, a really big day happened on **June 17, 1775** in Boston, when a certain Battle of Bunker Hill took place on Breed's Hill! Look that one up!

President Abraham Lincoln announced the Emancipation Proclamation on September 22, 1862. Juneteenth marks the day (June 19, 1865) when Union Army general, Gordon Granger, arrived in Galveston, Texas, and demanded that the state's over 250,000 enslaved people be set free. The Texas holiday became a federal holiday **June 19, Juneteenth**.

Your Recorder's Office June sees the Summer Conference of the Ohio Recorder Association each year. This Ohio Revised Code requirement of continuing education for our office not only helps newly elected Recorders learn the ropes but the meetings update us on pending legislation, trends, best practices for new and ongoing procedures. Also we are getting higher numbers of Recorder Public Records requests. When a customer needs a copy of Recorder Records, a dedicated email address has been established to send these requests. Sending directly to this email helps our staff more quickly identify the specifics of the request and to respond more quickly to the customer. Thank you for taking advantage of this service!
