July

America, where all people are born with equal opportunity to grow by self determination. America, where each individual receives inalienable rights of life, liberty, and the pursuit of happiness. America, where tyranny was rightly defeated by God with the true grit of His Patriots. America, where freedom is not given by man but endowed by The Creator of man and of all things.

America, a Republic miraculously sustained within a world of failed democracies, a country ruled by law rather than mismanaged by men. On July 4th we embrace and emulate the Spirit of Independence. On America's birthdays, we, the posterity of our founding-fathers' hopes and dreams, remember and honor them. The birth of our blessings. America is the birth of God determined our When Independence be self-governed in liberation continue as we and approach 250 years as One Nation Under God!

A personal favorite source for learning about the great history of America is Hillsdale College! Hillsdale College offers free online courses at <https://online.hillsdale.edu>. This online course, "The Great American Story: A Land of Hope," explores

the history of America as a land of hope founded on high principles. In presenting the great triumphs and achievements of our nation's past, as well as the shortcomings and failures, it offers a broad and unbiased study of the kind essential to the cultivation of intelligent patriotism. A proper study of American history proves...providing timeless lessons about human nature that are essential to the preservation of self-government. These excerpts describing their course offerings is taken from Hillsdale's website and are highly recommended by one of their students, me. I hope you have a liberty-filled July and enjoy a parade or two!

Happy 248th Birthday America! May God Bless us and return our 'Spirit of '76!
