Lake County Recorder

### Welcome November!

A time to be thankful for many things in our lives including all the blessings that we have!

Remembering Veterans Day on Monday, November 11th, I'm happy to say Lake County's Green Lights for Veterans is on again this year. The majestic Lake County Courthouse Clock is lit up with green again this year. And also Cleveland's Terminal Tower and many Lake County offices have decided to join in!

Lake County Courthouse

Operation Green Light for Veterans brings awareness to the care resources available for our great Veterans. All across the country there are supporters lighting up green places and we are very grateful for Lake County's support on this! We're keeping our green light on all year in the Recorder offices and I'm blessed to be part of the National Association of Counties' Veterans and Military Services Committee which sponsors and distributes the information for us to participate! Veterans Day Memorials take place November 11 to celebrate the ending of WWI fighting at 11 a.m. on November 11, 1918. 'The war to end all wars' stopped on the 11th hour of the 11th day of the 11th month.

Family and Friends gather at Thanksgiving by any means possible, be it in-person, across the miles or by way of a voice call, make that call or send a text with some cute turkey emoji's!

In the Recorder office I am so thankful for our super great staff! Mary Pat, Sandee, Simone, Curt, Shaun, Lisa, Kim, Karla! They are dedicated and caring for all our customers and they work very hard for Lake County everyday! I am beyond blessed because of them! Thank You All!
